

Blue Bay Divers is exploring ways to provide you with a better payment experience through our partnership with Flywire, a global payment service provider.

Access favourable foreign exchange rates

Flywire assures that the FX rates provided are better than traditional banks. They offer a best rate guarantee for bank transfer payment from any currency.

Pay in your own currency to a local account

Flywire's global accounts enable you to avoid wiring funds to an overseas bank account that has many hidden fees, tax implications and long delays. Now, you can pay Escape Haven in your own currency through a domestic bank transfer into Flywire's local account. Here's how to make a payment via Flywire.
